**JUNE 11, 2012**

Dear W&J alumni and friends,

The Pete Henry Society and the Washington & Jefferson College athletic department are looking forward to Monday, June 11, at Southpointe Golf Club for the return of our Pete Henry Golf Outing. This tournament has been a featured event during the past 13 years and we want to invite all of you to join in the fellowship and camaraderie.

As in the past, the proceeds from the outing will benefit the athletic programs; however, this year we are directing our efforts to upgrade our athletic training equipment. Our outstanding ATC staff impacts all of our 24 NCAA Division III varsity teams, working with our student-athletes for injury prevention as well as rehabilitation. W&J's two full-time athletic trainers work out of three different stadiums during the course of the school year and these facilities and modalities are in need of an upgrade. It is time to make an effort to give our athletic trainers and student-athletes the best opportunity to reach their potential on the fields and courts.

Over the years, our alumni, friends and corporate sponsors have been incredibly supportive of this golf outing with both their participation and willingness to offer contributions that help support the college's athletic programs. It is my hope that this support will continue through this year as well. For a second-straight year, we have discounted the cost for young alumni, GOLD members, who are just beginning their careers as a way to involve as many former student-athletes and alumni as possible.

By participating in this tournament, you are making a direct impact for the future successes of our student-athletes. This event always provides a fun and exciting day and hopefully gives you a better understanding of what it takes to field competitive NCAA Division III athletics programs.

Go Presidents!

Bill Dukett  
Director of Athletics
